

TRUST L3™

Quarter Fold Wipes

Designed for Facility Environmental Services

Cost effective alternative with better cleaning performance and pathogen removal than laundered microfiber and other single-use wipes.

Designed Specifically for Facility Environmental Services

Design combines high-strength, durable, textured exterior layers for long-lasting, cleaning performance with a highly absorbent interior layer for pathogen removal.

Advantages

- ✓ More durable
- ✓ Better cleaning due to enhanced abrasion
- ✓ Excellent liquid absorption
- ✓ Controlled liquid release maximizes contact times.
- ✓ No dyes used in manufacturing
- ✓ Less microfiber in landfills
- ✓ Cost effective

Applications

- ✓ Facility Environmental Services
- ✓ High-Touch Surfaces
- ✓ Equipment

Compatible with DEFENDER[®]
Sporicidal Disinfectant
and Cleaner
